

# DELIVERING E-LEARNING AROUND THE WORLD

Regardless of internet connection and infrastructure limitations

**Foundation LMS** is an essential learning management system that provides student and teacher resources to enable the e-learning experiences.

To enable immediate adoption of the e-learning process, each **C3 Micro-Cloud** is pre-loaded with this easy-to-use and simple-to-deploy learning management system, ensuring a rich, structured e-learning environment immediately.

## KEY FEATURES

### Content Distribution & Synchronization

Helps teachers and administrators organize large volumes of content, with categorization by grade, subject, and tags for quick and easy retrieval.

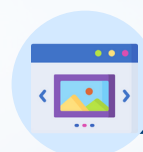

### Class Planning

Simplifies lesson planning with an intuitive interface that helps teachers organize classes, share assignments, track progress, and manage content efficiently.

### Learning Guide

Provides clear guidance on next steps and available resources, keeping students and teachers aligned throughout the digital learning journey.

### Classroom Social Feed

Enhances interaction among students, teachers, and peers, fostering an active classroom community with messaging, comments, and discussions.

# E-LEARNING FOR ALL

**Foundation LMS** connects teaching and learning by keeping everyone aligned with the same process, content, and curriculum. Teachers create and track lesson plans, assign materials, and monitor student progress. Students follow lessons, navigate course content, and access extra resources suggested by their teachers.

## Moodle Integration

For advanced needs, the **C3 Micro-Cloud** includes Moodle, a leading learning management system for delivering e-learning experiences.

## Classroom Management

Streamlines classroom organisation, making teaching simpler and more effective.

## Attendance Tracking

Provides an easy way to monitor student presence and engagement.

## Online Courses

Enables the creation and delivery of rich online learning experiences for all students.

## Assessments Control

Empowers teachers to grade assessments quickly, enhancing the learning experience.

## Student Progress

Monitor student achievements with smart tracking tools that support learning success.

## Student Enrollment

Streamlines enrollment for effortless course access and management.

Discover how **Foundation LMS** delivers e-learning to any classroom — even in remote areas without internet, reliable infrastructure, or stable power:
